Get Sponsored

You can cycle, walk, ride on horseback or if you cannot walk or cycle because of age or infirmity you may go by car so long as your sponsors are happy with this and your motor insurers have confirmed that you have the necessary cover. The aim is to raise money and have an enjoyable day out. Get sponsored for an amount per church or chapel visited or for a single amount overall. However you calculate it, enter the total amount sponsored on the form. If you wish, half of the amount you raise can be returned to your own church, chapel or charitable organisation.

You can also raise sponsorship online by creating a webpage at www.justgiving.com/somersetchurches
